A serene sunset scene over a calm ocean. The sun is a bright, glowing orb in the upper left, casting a shimmering golden path across the water's surface. Gentle waves with white foam are washing onto a sandy beach in the foreground. The sky transitions from a deep orange near the horizon to a clear, pale blue at the top. Overlaid on the lower right portion of the image is the text "Next Seven Years ...?" in a large, white, serif font.

**Next Seven  
Years ...?**

**Thank you!**
