Session 2

Financial instruments for social entrepreneurship and student loans

MINISTRY
OF REGIONAL
DEVELOPMENT CZ

Discussion session 2

FIs for social entrepreneurship and student loans

Discussion session results:

1. Social entrepreneurship

- Still working on the change of mentality grants vs FIs; very slow process
- Ex ante assessment ok, but need for a thorough market test - consultation
- Encourage NPBs and NPIs to carry out more awareness raising at final recipients level
- Concrete ex post evaluation on the use of the money

2. Student loans

- To find better conditions to attract private players (credit institutions)
- Look for more benchmarks and other similar initiatives
