DEVELOPMENT CZ

## Discussion session 3

# FIs for environment, including waste and water management

Discussion session results:

### 1. FoF structure

- CZ: structure in the current vs. next programming period

### 2. Project pipeline

- CZ: quality of projects is not an issue
- Promotion to final recipients (carrot and stick)

### 3. Combination

- yes, but the process needs to be simple for final recipients
- Promotion: not FIs or grants but it is a combination of both
