WELCOME TO FI-COMPASS

fi-compass is a unique platform for advisory services on financial instruments under the European Structural and Investment Funds (ESIF) and microfinance under the Programme for Employment and Social Innovation (EaSI).

fi-compass is provided by the European Commission in partnership with the European Investment Bank.

fi-compass is designed to support ESIF managing authorities, EaSI microfinance providers and other interested parties, by providing practical know-how and learning tools on financial instruments. These will

ESIF Financial Instruments

Financial instruments co-funded by the European Structural and Investment Funds (ESIF) are an efficient way to invest in the growth and development of people and businesses across the EU. They can be set-up by Member States and regions to invest available ESIF funding through financial products such as loans, guarantees, equity and other risk-bearing mechanisms that support projects on the ground.

EaSI microfinance

EaSI microfinance is part of the Employment and Social Innovation (EaSI) Programme. It aims to increase the accessibility of finance for vulnerable groups, micro- and social enterprises.
